## Late Fees

We have a very fair policy regarding our payment for tuition and subsequent assessment of late fees.

*Payments are due before the 10th of each month.*

Any account with an unpaid balance after *the 10th of the month will have late charges of \$25.00.*

Payments may be made at the office or by mail. If you make a payment late, please include your late fee of \$25.00 with your payment or you will be billed.

The quality of our facility and faculty depends upon a system of mutual respect and cooperation. We understand that anyone may make a late payment from time to time, but please be respectful of our late fee policy and when applicable, graciously include your late fee in your next payment.

*Thank you for your cooperation.*

If you make your payments by mail, be certain to allow adequate time for mail delivery.

*Returned check fee is \$25.00*

Any student with an overdue balance of more than 45 days will not be allowed into class until payment is received in full.

If you change your class style, add or delete a class or have any questions concerning the monthly charge, please inform someone in the office.

## Make up Classes

Please make up any missed class within the month of your missed class if possible; no credit will be given for missed classes. Make sure to sign up for your make-up class in the office; do not simply arrive to the make-up class, the instructor will not allow any students not on the roster to attend.

---

You **WILL NOT** be receiving a monthly bill/statement from our office for your monthly tuition. *All payments are due before the 10th of each month.* If at any time you would like a printed statement of your account, you may request one. We have included a payment receipt record for your convenience. Please note your payments and keep any receipts for the school year. Monthly statements will be mailed for overdue balances only.

Our students are in our database alphabetically by their last name. Many of our students have different last names from parents and/or grandparents who are paying for dance expenses. In order for us to properly credit your account, the following details will be important for us to know each time you make a payment.

When making a payment by check, please include the following information in the memo of your check. A receipt is available upon request.

1. Student(s) First & Last Name. (Very important!)
2. State what you are paying for:
  - Monthly Tuition (State the month)
  - Dance Supplies (Shoes, Leotard etc.)
  - Costume
  - Tickets, etc.

For example:
