

# School Newsletter

After School Program "Rising Stars"

*"Under the Sea"*

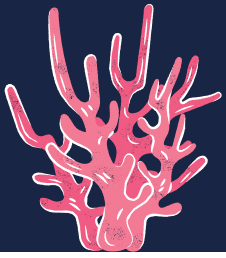

**September came and  
went like a wave!  
This month we ...**

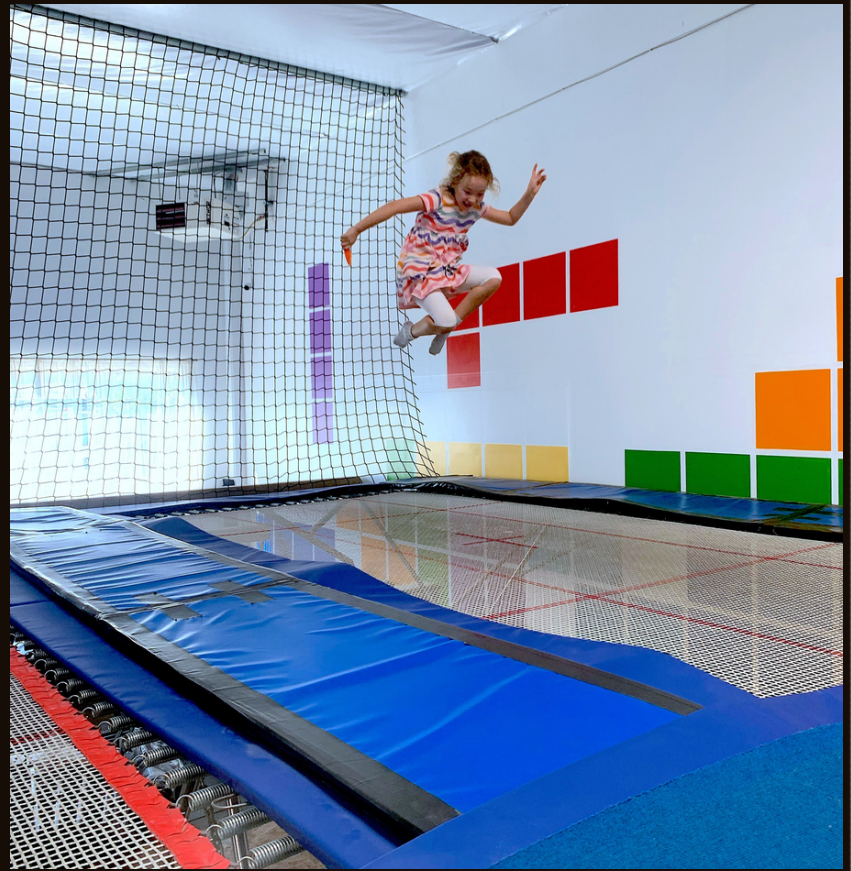

**We learned  
about our  
ocean  
zones and  
that more  
than 90 %  
of ocean  
life lives in  
the  
sunlight  
zone!**

# Flips & Tricks

**We practiced  
our  
gymnastics  
skills . . . and  
we can't  
forget about  
trampoline!**

**We made  
the cutest  
walruses  
and  
explored oil  
pastels**

Overall, September went swimmingly for our Rising Stars here at FDS and while we are sad to see September go, we are very excited for October!

## NEXT MONTH'S THEME:

### MONSTER MASH & CREATIVE CREATURES

Be prepared for our dress up day on Monday, October 30th  
Wear your favorite costume and get ready for some fun games!
