After School Program “Rising Stars”

Monster Mash & Creative Creatures

Projects from the month

This month's topic ... are
monsters scary?

Our "Rising Stars" didn't
seem to think so.

This month we got
super creative with
our arts and crafts.

We made mummies,
ducks, and even
watermelon cats.

Coloring and naming our
own ducks was a fan
favorite!

Is it really October without caramel apples? The kids had a blast creating their own version of a caramel apple!

There was everything from unicorn caramel apples to even apples with poems.

We are learning some new things in gymnastics too! We are working on back walkovers on the floor and started learning handstands on the beam!

More fun projects from the month!

How do you fix a broken pumpkin?

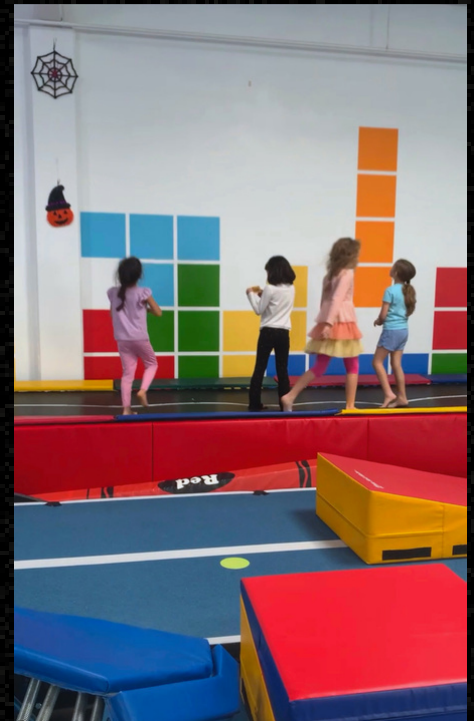

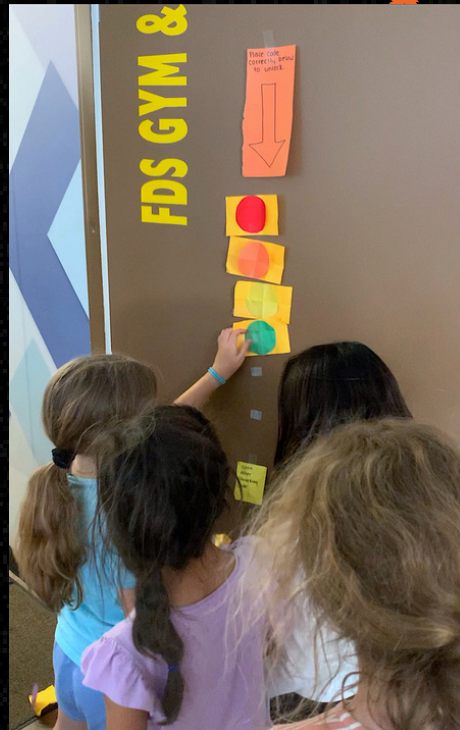

... with a "pumpkin patch"

Kids Escape Room

This month we tried an escape room where clues and puzzles had to be solved in order to find all of the missing objects! We got to practice using teamwork while working together!

Next Months Theme:
Animals & Insects

Every Wednesday - **Bring A Stuffy Day**
